## THE EDITORS' WORD

OUR MINDS , EMOTIONS AND BODIES ARE INSTRUMENTS AND THE WAY WE ALIGN AND TUNE THEM, DETERMINES HOW WELL WE PLAY LIFE.

Zealous and ambitious minds of the Cambridge wing took an ingenious step towards making a comprehensive newsletter to exhibit the importance of the use of practical knowledge in daily lives. We, as the editorial team, take the initiative to manifest the RICER (Responsible, Innovative, Confident, Engaged, Reflective) mindset amongst the students of our wing. We are showcasing the activities carried out to leave a mark of peculiarity and self-reflection of our wing. We bring to you the latest in Cambridge, right here!

**The editorial team of Cambridge wing is proud and grateful for the invaluable opportunity of designing a newsletter with an aim to inform and inspire all.**

**We express our gratitude and respect towards Madam Principal , Ms. Alka Sahani for being the guiding light and motivating us on every step of the journey. We also express our gratitude to the worthy management members for their sagacious guidance.**

# Marvellous IGCSE and CHECKPOINT results...

HEARTIEST CONGRATULATIONS FOR EXCELLENT RESULTS AND BEST WISHES FOR FUTURE SUCCESS.  
LET'S ROCK IT!

"Winning isn't everything. It's the only thing." Students of Cam 5 and 8 have brought pride to the school by achieving a splendid score in the checkpoint exams of 2022. Arduous learners of the Cambridge wing never fail to make their mark and this time as well, they scored more than the international average-exceeding expectations, breaking records!

We couldn't be prouder!

**Heartiest congratulations to all our achievers!**

# Beyond Academics...

Reading Is Dreaming With Open Eyes

Spruce Up Action

Characters Brought To Life

Fun Activities With Parents

## Lit-Fest

Reading is the gateway skill that uses a multi-disciplinary approach to ensure holistic learning. The arduous learners of Cambridge wing organised a fun-filled lit-fest with some interactive brainstorming activities and presentations for parents. There was a takeaway for everyone.

## Dental workshop

Let's Go Live

It's All About Perspective

**"You don't have to brush all your teeth, just the ones you want to keep"**

Dr. Srishti Punjani from Coral Dental Clinic shared her valuable insight on dental hygiene.

Students got a golden opportunity to get a practical lesson on dental care from a practicing dentist. They learnt many do's and don'ts for maintaining healthy teeth. The motto of the participants was "Healthy Teeth, Happy Teeth!"

## Campaigns

**7 steps of hand-washing. Are you doing it right ?**

Campaign For Adopting Hygienic Lifestyle

It is important to wash your hands regularly, especially in case of outbreaks of infectious diseases. The students of CAM 1 and 2 initiated a campaign called "Germ Busters" to raise awareness about the importance of washing hands. It also emphasized on the correct way and sequential order of washing hands. Let us all remember to wash our hands regularly and thoroughly!

#Heforshe, Gender Equality

Gender Equality is not just limited to one group of people. It's about the individual identity and potential that every human being deserves to be accepted and valued for. Our very own students of Cam 9 have initiated a campaign: "He for She", for patronizing and instilling the very same virtues in every Agarsainian.

# Mass Yoga

“Inhale the future, exhale the past”  
Surya Namaskar, the art of respecting the Sun , is not just limited to ashrams now, it is being embraced as a daily practice by one and all!

Students of Cambridge 3-10 celebrated International Day of Yoga, performing Surya Namaskar and meditation to relax their bodies and calm their minds. Empowered minds, Energized souls!!

**Learning The Art Of Living With Surya Namaskaar**

# National Technology Day

“We’re changing the world with technology”  
The digitalized era has made our lives easier. National Technology Day is widely observed on 11th May to mark the radical rise of technological advancements in India post independence. Students of Cambridge wing dressed up as exclusive gadgets and defined how they're useful in our day-to-day lives. A fiery debate stirring the minds of many left the audience pulsating with excitement.

**The Battle Of Wits**

# Summer Bonanza

Budding entrepreneurs of CAM 1-10 organised 'SUMMER BONANZA' - a meet and greet session with parents, teachers and students. Food stalls , fun games and interactive sessions were enjoyed and cherished by all .

**Seeking Blessings From Goddess Saraswati**

**Parents-It's Time To Play !**

# WEEK OF HAPPINESS !

Be The Change You Wish To See.

Mindfull vs Mindful : The State Of Mind

Designing Respect Chain For Enhanced Relationship

## "HAPPINESS IS CONTAGIOUS"

We believe in the power of positivity and aim to spread smiles! Students of the Cambridge Wing performed the act of kindness and spread happiness by donating clothes, stationery and other useful materials to the helping staff of the school and other people in need.

Students were engaged in the activities which helped them refresh and enlighten their minds. Students made gratitude cards and respectful notes for their friends and family and enjoyed this calming yet extraordinary week of giving.

# DAZZLING STARS

"The stars shine in the dark sky, bright students shine wherever they are!" You are our dazzling stars for the wisdom and aura you possess is the true light!

Congratulations to Saanvi Kohli (Primary-wing) and Yashas Gupta (Secondary wing) for being chosen as the dazzling stars for the quarter April -June 2022.

# VIRTUAL VOYAGE

CAMBRIDGE WING TRAVELLED APPROXIMATELY 42, 954 VIRTUAL MILES!

Cambridge students made connections across the globe to explore other cultures, traditions, beliefs and viewed the world with a divergent lens. An exchange of opinions about Sustainable Development Goals, cultures, festivals and geographies across international skies has holistically strengthened the impetus of the students. Together, the students of Cambridge Wing have travelled approximately 42,954 virtual miles!

## FUN FACT

The world's tallest book "Collection of Maritime Rules" is about 6.4 feet in height and its over 3 feet wide.

ARYAN YADAV CAM 2

The 100-Days Reading Challenge helped me explore various genres of books and I developed a new perspective towards reading. It is a lot more fun than before. I had a wonderful time!

I have read more than 100 books by different authors and enjoyed learning new words. My favourite author is Sudha Murthy as her stories teach us some valuable life lessons!!

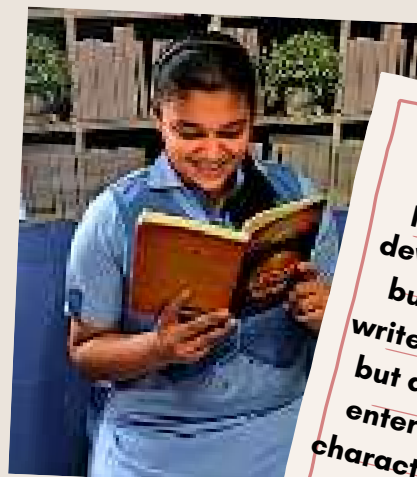

SAANVI KOHLI CAM 3

I read so many books during this challenge and explored a variety of fiction and non-fiction texts. I enjoyed portraying the characters in my mind and this whole challenge made me improve my reading.

MOHAK CAM 5

AISHWARYA CAM 9

I understood the author's perspective and not only developed my reading skills but also became a better writer. It was not a challenge but a golden opportunity to enter a whole new world of characters. Now I love reading way more than before!
