Email: mapsdelhi2005@yahoo.co.in

To spark the curiosity and encourage early scientific thinking in our students, We are delighted to inform you that we are organizing-

Curiosity Quest Competition

for

Montessori II

On

22.8.25 i.e, Friday

Important points to noted:

- Each child will perform a simple and safe science experiment.
- The child will also speak a few lines (2-4 sentences) to explain the experiment.
- Parental assistance is encouraged in preparing the experiment at home.
- Experiments should be safe, age-appropriate, and require no fire or harmful chemicals.
- All necessary materials must be brought from home.

Regards
Class Teacher
