"Today's little minds are tomorrow's big inventors!"

A fun-filled and imaginative event where **Technology Meets Creativity**

Tech Galia- Dress to Innovate Competition

is organised for
Montessori-1 students
on

21.08.2025 (Thursday)

In this the children will participate in a **ramp walk** wearing costumes inspired by **gadgets, futuristic ideas, or technological elements**, showcasing their confidence and creativity. The event aims to spark curiosity, encourage creative expression, and blend learning with fun — all while boosting the confidence of our young learners.

IMPORTANT POINTS TO BE NOTED:

- The child has to dress up like any 1-future gadget.
- He/She will introduce themselves in 1 line and do ramp walk.

Some Costume Ideas:

- A sparkling **robot** with blinking lights
- A helpful **smart home assistant** (Alexa/Google Home)
- A little **solar superhero** with sun panels
- A **Wi-Fi fairy** or **Bluetooth buddy**
- A costume using **safe recycled tech parts**

Judgement Criteria:

1. Creativity and Design of Costume, Relevance to the Tech Theme
2. Confidence and Ramp Walk Presentation
3. Overall Visual Appeal

Let's encourage our children to dream big and step boldly into a world of imagination and innovation!
